50X1-HUM

1. What appears to be a new underground air raid shelter underneath the castle in Pardubice is under construction. It is to serve military purposes only. Essential military records are to be kept there; there is to be some important military installation in the structure and it is to be an air raid shelter for high military and civilian personnel. 50X1-HUM
2. Only a small part of the project lies outside the castle. The majority of it is underneath the castle itself, All excavation is being done by hand and the earth is being removed by trucks. Three medium-sized concrete mixers are used on the site. 50X1-HUM
3. The Pardubice Air Force Command supervises the project, which employs about 50 workmen. They are supervised by two officers wearing what may be Air Force uniforms.
